

THE RED USERS

OFFER LETTER

09 November 2024

Dear, **Shubham Patil**
Congratulations!

We are thrilled to offer you the opportunity to join **The Red Users** as a **Cyber Security Intern** for a duration of **one month**. After carefully reviewing your application and qualifications, we are confident that your technical skills and cybersecurity knowledge will make a valuable addition to our team.

Please note that this internship is intended to be an educational experience and does not imply any commitment or promise of future employment.

We are excited to have you join **The Red Users** team and look forward to seeing your contributions in enhancing our cybersecurity projects. If you have any questions or need further information, please feel free to contact us via email.

Position: **Cyber Security Intern**

Duration: **1 Month**

Start date: **10 November 2024**

Congratulations once again, and welcome to **The Red Users** !

Best Regards,

The Red Users
